Oscar, son of Mr. and Mrs. Charlie Cochran, died last Monday night Nov. 16th and was buried Thursday, in the Dark Canon grave yard at one o'clock P. M. Rev. Joel Hedgpeth preached an interesting sermon. The funeral was attended by nearly all of the mountain people who extend their heartfelt sympathy to the bereaved parents.

Mrs. Paul Aires was quite badly hurt Thursday, by her horse falling with her while riding in the funeral procession. She is now at Thayer's ranch, being unable to return home, and is attended by Dr. Black. Though her injuries are not serious they are very painful. Her back is strained and side badly bruised.

Mrs. M. J. Queen has lately had an acre of land set apart on her homestead for a public grave yard. Something that is badly needed on top of the mountains as it is so far to the grave yard in Dark canon.

Jim Tulk went to Carlsbad Friday.

Johnnie Harvey came out last week.

The road workers are making a wonderful improvement on the roads in these parts.

Miss Lena Kaiser, teacher of the Board tree school, was slightly bruised last week by her horse getting unruly and dragging her off on an overhanging limb of a tree.

The new store and post office are now finished at Queen.

What Do They Cure?

The above question is often asked concerning Dr. Pierce's two leading medicines, "Golden Medical Discovery" and "Favorite Prescription." The answer is that "Golden Medical Discovery" is a most potent blood-purifier, and tonic of invigorated and acts especially favorably in a curative way upon all the mucous membranes, as of the nasal passages, throat, bronchial tubes, stomach, bowels and bladder, curing a large per cent. of catarrhal cases whether the disease affects the nasal passages, the throat, larynx, bronchia, stomach (as catarrhal dyspepsia), bowels (as mucous colitis), bladder, uterus or other pelvic organs. It is also the most effective of all the medicines in the treatment of skin diseases. It is often successful in a few days.

"The Favorite Prescription" is advised for the cure of all cases of disease of the female system, such as irregular menstruation, leucorrhoea, etc. It is a powerful yet gently acting invigorating tonic and nerve. For weak women, over-worked women—no matter what has caused the break-down, "Favorite Prescription" will be found most effective in building up the strength, regulating the womanly functions, subduing pain and bringing about a healthy, vigorous condition of the whole system.

A book of particulars wraps each bottle giving the formulae of both medicines and quoting what scores of eminent medical authors, whose works are consulted by physicians of all the schools of practice as guides in prescribing, say of each ingredient entering into these medicines. The words of praise bestowed on the several ingredients entering into Doctor Pierce's medicines by such writers should have more weight than any amount of non-professional testimonials, because such men are writing for the guidance of their medical brethren and know whereof they speak.

Both medicines are non-alcoholic, non-secret, and contain no harmful habit-forming drugs, being composed of glyceric extracts of the roots of native American medicinal forest plants. They are both sold by dealers in medicine. You can't afford to accept as a substitute for one of these medicines of known composition, any secret nostrum.

Dr. Pierce's Pellets small, sugar-coated, easy to take as candy, regulate and invigorate stomach, liver and bowels.

Joe Plowman paid a fliping visit to Queen last week. Joe hardly had time to eat a friendly meal with old friends.

Hoolie Cochran came out on the mail hack last week.
